CHRISTIAN EDUCATION

We believe in the competency of the individual to seek and to know the will of God for his or her life. We believe that Christian education is one of the best aids to this end. That's why we as Baptists support Baptist schools, colleges, and seminaries.

In general the Baptist program of Christian education includes the teaching ministry of the Christian home and the local church with its varied programs, emphasizing Christian education through the Sunday School, Baptist Training Union, Daily Vacation Bible School, literature, and like organs. Also, we as Baptists have emphasized Christian education through the activity of our Associational Missionary in the association-wide study courses each year.

In our American way of life, we know that secular education has its place. Yet, as Baptists we look to the Christian home, our Baptist churches, and institutions of higher learning for special emphasis in Christian education.

It should be noted that the impact of the present tidal wave of youth is resulting in ever-growing needs for expansion in all areas of Christian education. The presence of these children in greater numbers in our homes and churches constitute a new opportunity

and a new challenge for Christian parents. It is not surprising that all of our local Baptist churches are expending their teaching facilities to meet these growing demands upon them. The over-all picture of Christian education among Southern Baptists is an encouraging one. In our Baptist colleges in the Southern Baptist Convention territory, there were enrolled more than 55,000 young people during the last college year.

Let's take a look at what Baptists in North Carolina are doing in the way of promoting Christian education. We have seven Baptist colleges in North Carolina—namely, Wake Forest, Meredith, Mars Hill, Gardner-Webb, Campbell, Wingate and Chowan. In these colleges last year, Baptists had a total enrollment of 5,921. More than this number have enrolled for the current college year.

Of the 750 students enrolled as ministerial and mission volunteers in our Baptist colleges in North Carolina, 450 are training for the ministry. In addition to this 12% of the student enrollment, there are hundreds of others training to become ministers of music, directors of religious education, and church secretaries. It is likely that at least 20% of the students enrolled in our seven Baptist colleges are preparing themselves for some kind of full-time church vocation. When we add to this number those who enter teaching, business, law and medicine, we realize that the graduates of Baptist colleges are carrying the Christian witness of our denomination not only through our churches but through many other channels of our modern society.

North Carolina is second only to Texas in the number of students enrolled in her Baptist colleges. It is estimated that our state has 18,000 Baptist students in her Baptist colleges and in other colleges of the state. Within the next few years, it is estimated that this number will be more than doubled. It would be absurd to expect our Baptists through their churches to support a program of education adequate to meet the needs of such a host of Baptist youth. Yet, our Baptist people must not be willing to slacken their efforts to keep step with other Protestant denominations in providing a well-trained Christian leadership for our state and nation.

North Carolina Baptists have a great deal of which to be proud in our seven Baptist colleges. We most heartily appreciate the fine work that they are doing in Christian education. The local Baptist churches are to be commended for the splendid part which they have played in promoting Christian education through the Cooperative Program.

With increasing student bodies and with keen competition from state supported schools, it becomes more difficult for Baptist to carry on an adequate program of Christian education. However, every effort is being made to operate good, accredited Baptist colleges at the lowest possible cost, in order that the doors of educational opportunity may remain open for all our young people.

It is timely always to remind our Baptist people that our seven Baptist colleges in the state are supported and operated primarily for the training of Baptist young people. They are engaged in a noble work. Our Burnt Swamp Baptist Association is encouraged to continue to lend a helping hand to the worthy cause of Christian education by supporting most heartily the Cooperative Program of our church. Let's pray for our institutions, their faculties, their students, for out of them will come many of the leaders that will help determine the future of our churches, our denomination, and our country in the years to come.

Respectfully submitted,

Clifton Oxendine

AMERICAN BIBLE SOCIETY

A Chinese college student, during World War II when Bibles were scarce in his country, made this earnest request: "We students want to know Jesus. We must have this book." Another thoughtful Chinese student, talking with his missionary teacher, said: "Your English Bible speaks to my head, but my Chinese Bible speaks to my heart."

The words of those Chinese students express two missionary principles which are true in all lands:

People must have the Bible because it presents Jesus Christ, the one hope of men and nations.

Each person must have the Bible in his own language because it speaks to his heart as no other language can speak.

The Bible is the missionary's chief tool. He uses it in every form of mission work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he must leave—and keep on speaking to a man's heart!

The American Bible Society aids in Bible translation, publishes the Scriptures without note or comment and distributes them without profit, usually below cost. For the Blind it supplies Scriptures in raised-letter systems and on Talking Book records. The Bible Society serves every form of Southern Baptist mission work around the world.

During 1955 the American Bible Society—

- helped to publish Bibles in Russia by giving to Russian Baptist leaders, mats made from our printing plates — which they are using to print 50,000 Russian Bibles.
- helped the Japan Bible Society publish the full Bible in colloquial Japanese, the every-day language easily understood by all the people. This opens the Book to many millions of new readers and is stimulating interest in Bible reading.
- donated 1,397,100 Scripture volumes for distribution by Chaplains to our Armed Forces, providing a vital link between the home churches and the men in service.
- distributed throughout the world almost 15 million volumes of Scriptures.

Southern Baptists Support the Work

Because the Bible Society serves mission work—and because Southern Baptist missionaries depend on the Society for Scriptures they need for distribution in their own work—Southern Baptist churches give to the American Bible Society.

In 1955 Southern Baptist churches again broke their own record by giving \$115,631 to their Bible Society—but again stood in second place, exceeded by Methodist gifts of \$139,151. Gifts from all denominations totaled \$804,998.

The help of every Southern Baptist church is needed. Has your own church given this year? Here are suggestion, based on what many churches are doing:

Every church can give at least these amounts each year:

Country and village churches	\$10 to \$ 25
Churches in small cities	\$25 to \$100
Larger churches	\$100 to \$200
Great city churches	\$200 to \$500 or more

Please send gifts to your Baptist state office marked "for the American Bible Society."

REPORT OF NORTH CAROLINA BAPTIST HOMES FOR AGING ASSOCIATIONAL YEAR 1956

The Homes are in their sixth, and greatest, year of operation.

Construction of the Administration and Dormitory Building began in February. It should be completed by the end of the year, and ready for occupancy by February 1, 1957.

North Carolina Baptists have good reason to be proud of this new building, which, when completed and equipped, will add one-half million dollars to the total value of the Homes. What is more encouraging, there is reason to believe that the total cost of the new building will be paid for by the time it is occupied, if our 3,200 Baptist churches will respond with a generous Special Day offering on the third Sunday of February, 1957.

The added facilities of the new building will make it possible to care for 100 residents—20 at Resthaven, 36 at Albemarle Home, and 44 in the new building. Of this number, less than 10 will be part-time helpers. Moreover, a greater ministry to our aging residents will be possible because of the extra facilities in the new building. Among these will be ample space for craft shops, sun parlors, library, infirmary, and other additional features. In fact, the new building was planned and is being constructed to provide a well rounded program with the most up-to-date facilities.

The Special Day offering this year, to date, is \$88,400.03, including personal and corporation gifts. This amount will be increased by churches late in reporting their gifts. It is encouraging to know that the number of churches responding increases each year.

Resthaven and the Albemarle Home have been filled to capacity. When a vacancy occurs, which is rare, there is always a waiting list.

Effort was made in Winston-Salem during June and July to raise \$100,000 for the new building. In addition to the money raised, the response on the part of a large number of splendid business men to help with the campaign was most inspiring. The aroused interest in the program of the Homes will bring increasing results for years to come.

There has been a larger number of building memorial gifts. They ranged from \$300 to \$3,000—\$300 to furnish, \$1,000 to endow, and

\$3,000 to pay cost of constructing, a room.

A trustee, Mr. Don G. Matthews of Hamilton, gave, in addition to \$3,000 to construct a room in the new building, \$1,378 to pay cost of excavating a lake on the grounds of the new building.

Your Homes are putting forth their best efforts to render a ministry of security, comfort, congeniality, and Christian love to our residents.

North Carolina Baptists should keep in mind that their special offering and the share of the Nine Year Program received by the Homes help to make this ministry possible to all who come to the Homes, and, especially, to a large number who could not come but for such help.

There are some rooms left to be memorialized. Also, a limited number of cottages may be built on the Park Road site. If interested, contact James M. Hayes, general superintendent, N. C. Baptist Homes, Kentucky Avenue, Winston-Salem, N. C.

"Cast me not off in the time of old age; forsake me not when my strength faileth" (Psalm 71:9).

EVANGELISM

Without any question the supernatural is the only element giving value to religious character. That is to say only the Holy Spirit can create Christian character. It should not be necessary to remind folk that the above states the basic truth believed and taught by Baptists during past and present ages. Though we are saying much and doing much and praying more the Holy Spirit does not manifest His presence in our public services as in former years.

When I was young it was not unusual for God to reveal His presence to worshippers creating contrition, confession, salvation, and joy. On such occasions we sinners who realized our lostness didn't hesitate to go up to the altar of prayer to be instructed and prayed for. We were made to believe that if and when we were converted we would experience a real, new kind of joyful life.

I have always understood when "there is joy in heaven over one sinner that repenteth" (Luke 15:7), that such sinners would realize the presence of divine love bringing peace and pardon.

I am sure that our main weakness is at the point of regeneration. This is true because the new birth is God's work and we fail to wait on God until He brings it to pass.

Any religion not connected with a miracle is not our Lord's religion. Conversion of a sinner is a miracle. A fresh blessing in the Christian heart is a miracle. God's miracles are not opposed or contrary to human reason but above human reason.

Certainly and justly God requires repentance and faith of every one in order to have salvation; but most solemn vows, sacred intentions, and religious purposes do not constitute regeneration.

Evangelism will do better getting people heavenward to proclaim the work as given in our Bibles, "Thou shalt find me when thou hast searched for me with all thine heart" (Jer. 29:13). Jesus said, "Seek ye first the kingdom of God and His righteousness" (Matt. 6:33), and again, "he that seeketh findeth" (Matt. 7:8). Peter said, "Repent ye therefore and be converted that your sins may be blotted out when the time of refreshing shall come from the presence of the Lord" (Acts 3:19).

I am not disputing with those who claim that we have a considerable per cent among us who have never been converted, but I do claim that our church literature, magazines, quarterlies, and editorials have all clung steadfast to the Bible with reference to the supernatural. They have said again and again, "Ye must be born again."

Our Lord has always used His own anointed to build His Kingdom on earth.

It was a sharp cut in military power when God had Gideon to reduce 3,200 men to 300. But the 300 true and faithful almost destroyed the great army of Midianites. The beauty of it was the 300 didn't need to fight — just obeyed God by Gideon's hands (Judges 7:21).

King David, God's choice as a ruler, once transferred his confidence to his vast manpower. God's rebuke seems severe. He had an angel to destroy 70,000 men whom David loved. David's repentance was too bitter for us to forget. But he left us an impressive religious axiom, "Let us now fall into the hands of the Lord; for His mercies are great and let me not fall into the hand of man" (II Sam. 24:14).

John Wesley is referred to as saying, "Give me an hundred men who fear nothing but God and hate nothing but sin: I care not a straw whether they be ministers or laymen; with such I'll storm the gates of hell and establish God's kingdom on earth."

Surely, "For the time is come that judgment must begin at the house of God; and if it first begin at us, what shall the end be of them that obey not the gospel of God?" (I Peter 4:17).

HOME MISSIONS REPORT TO THE BURNT SWAMP BAPTIST ASSOCIATION

I. Ruth Martin

DO YOU KNOW . . .

That the Home Mission Board, organized in 1845, originally known as the Board of Domestic Missions has been serving over 110 years?

That the Home Mission Board has helped to constitute 11,553 churches, or more than 1/3 of all the Baptist Churches in the Southern Baptist Convention?

That this Board has had an average of 478 missionaries in the field every day since it was organized, which is equivalent to more than 27 workers in the field continuously since the resurrection of our Lord?

That these missionaries have reported 1,178,381 professions of faith, which converts would equal the total Southern Baptist members of all states west of the Mississippi River, excluding Louisiana and Texas?

That approximately 60,000,000 people in this area have never indicated their personal acceptance of Christ as Savior, which number is greater than the total population of Spain or Korea?

That filmstrips, slides, and moving pictures depicting home mission work are available to churches and religious groups through the Baptist book stores?

That the missionary force of the Board, now numbering 1,000 exclusive of the summer workers?

That 96.3c of every home mission dollar goes directly to mission services, and only 3.7 per cent for administration and office expense?

That the constitution of new churches, the revitalization of inactive churches, and the construction of new church buildings will be emphasized in 1956?

That our ministry to neglected peoples, minority groups, and the spiritually underprivileged, will be emphasized in 1957?

That the Home Mission Board will need a minimum of 1,250 missionaries, including mission pastors, and adequate financial support to meet this challenge?

FOREIGN MISSIONS

The Foreign Missions field is a great opportunity of winning our lost world to Christ.

As our missionaries are at work in countries around the world, they find new ways to interest people in hearing the Gospel. We have the airplane, radio station, and many other ways of interest.

Preaching the Gospel is one of the best ways to win people to Christ; but from all our Missionary fields comes the question "where can we get a preacher?" There are not enough men missionaries to go to all of the churches and chapels every Sunday to preach and teach; the women missionaries can attend the meetings and help. There is a great challenge for more workers in our Foreign Fields. Christ said, "Go ye into all the world." We all cannot go in person, but we can help those who are willing to go and answer the call by our prayers and giving ourself and our means to the cause of Christ.

Jesus went about teaching, preaching, and healing. These are familiar words. They set the pattern for all Christians to follow. They also claim the efforts of our overseas force, but on all the Foreign Fields of today they are strengthened by the activities of our own churches in our homeland.

Naturally we give the direct preaching of the Gospel first place. As we sing "Open My Eyes That I May See," let us think of those in Foreign lands who will not see unless we open our eyes, heart, and means to the cause of Christ.

The hour is late, unless we hasten to fulfill Christ's mission in the Foreign Fields, we may find the opportunity gone and the doors

closed to witness to the vast multitudes of the saving power of a loving Savior.

In order to meet the needs of our Foreign Missions work, we must be willing to trust and obey God with whatever we have. It's not what you would do with a million if riches should be your lot, but what you are doing this minute with the dollar and quarter you have now.

Respectfully submitted,
Mrs. Burleigh Lowry

REPORT ON STATE MISSIONS

Edward L. Spivey

I. STATE MISSIONS is the missionary effort on the part of North Carolina Baptists to reach the unsaved for Christ and teach, enlist, and train the saved in giving, living, and serving through the churches and throughout the world.

(1) There are 4,300,000 people in the State. About 2,000,000 of these above the age of eight years are affiliated with some kind of church. 1,900,000 of these above the age of eight years are unchurched. If 25% of the affiliated church members are unsaved, then 62½% of the people of North Carolina above the age of eight years are lost. North Carolina, therefore, is far from being half Christian.

(2) We have over 800,000 Baptist church members in North Carolina. Perhaps 40% of these are enlisted and are being taught and trained in Christian giving, living, and serving. This means that 60% of our church constituency is not dedicated in the Christian profession. In this undeveloped area, the churches have their primary challenge.

(3) The above interpretation of the purpose and challenge of State Missions demand a varied program of mission activity.

A. Our people need to be taught and trained. Therefore, four of the most significant phases of our State Missions work are promoted through the Sunday School, Training Union, Rural Church and Music Departments. Already over 2,000 Vacation Bible Schools have been reported for 1956—giving \$42,000 to World Missions. The goal of \$2800 will be reached. Over 7,300 of our Baptist people attended Training Union Weeks at Caswell, Fruitland and Ridgecrest this summer. Perhaps this is a record for any state. Many rural churches have been enlisted in our Baptist program of Stewardship and organizational life. Many quarter and half-time churches have been led to activate full-time programs of service. Over 1200 leaders in the fields of Music and Sunday School attended the assemblies this summer. The programs were promoted and directed by the leadership of these two departments.

B. Over 60% of the people in North Carolina are lost — and need a Savior. State Missions provides a Department of Evangelism that seeks to inspire pastors and churches to evangelize their communities; also to plan for and promote united evangelistic efforts on a State and Associational-wide scale. Since the organization of this Department, Baptisms have averaged 8,000 a year more. North Carolina Baptist churches, last year, baptized more people than any other state except Texas.

C. A growing population demands new and stronger churches. State Missions provides a necessary and significant ministry through aid on some church buildings and the purchase of sites for new churches and some one hundred or more salaries for pastors. These supports enable new churches to move forward in a building program and other churches to strengthen their programs and enable the pastors to give more of their time in developing stewardship churches. During the past year, approximately \$150,000 was invested in this work. Six out of every ten Baptist churches in North Carolina have been assisted in one or more ways through this ministry.

D. A more highly developed and intelligent congregation demands a better trained pastor. Pastors' Schools are promoted through pastors received better training at Fruitland and about 35 at Caswell. Refresher courses are offered from time to time at Mars Hill for the benefit of all pastors and their wives—trained or untrained. This summer we reached approximately 400 during the week of Christian Study and Fellowship.

E. The colored races in our midst constitute a large percentage of our population. State Missions seeks to minister in a limited degree to the Negroes and Indians. We should do more—not because the Catholics are winning them, but because we should. Ours is the major denomination in North Carolina and, therefore, they are largely our responsibility.

F. Other areas of need constantly challenge the resources of State Missions, namely:

(a) **The Allied Church League.** This organization is doing a tremendous job in helping to produce a sober and sane citizenship in North Carolina.

(b) **The Silent People.** Three thousand of them beckon for our care, love, and concern.

(c) **The Assemblies — Fruitland and Caswell.** Our people need the fellowship, inspiration and training they offer. Perhaps 12,000 attended these assemblies this summer. The organizations of the Women's Missionary Union had 2,150 women and young people to attend State and Associational W. M. U. Camps this summer. They serve all phases of our Baptist work.

(d) **Other ministries:** Summer Student Work — Student Aid—Ministry Through Service Institutions—Baptist History—and Separation of Church and State.

G. The Department of Church Planning. This department serves many churches through counsel and guidance in planning for beautiful and adequate churches and educational buildings.

H. Brotherhood and Royal Ambassador Work will become departments of State Missions in 1957. Here will be an unlimited ministry through men and boys.

I. Our Church and Denominational leaders of tomorrow need to be taught and trained in cooperation and loyalty now. State Missions promotes a Baptist Student program among 20,000 sons and daughters from our Baptist homes who are attending the many colleges or universities, business and medical schools of our State. These young men and women constitute a great potential leadership for all areas of tomorrow's world. The churches will need the strength and service of **that leadership.** Baptist Student Centers near the campuses of our State colleges and other schools are a must. This year the Convention purchased a beautiful site for a student center at the University of North Carolina where we have 1,700 Baptist students.

J. What are the Sources of Support whereby State Missions can function effectively and fruitfully in all these phases of work? Here they are:

(1) Cooperative Program (If goals are met)	\$270,000
(2) Sunday School Board	21,000
(3) Home Mission Board	4,000
(4) W.M.U. Week of Prayer (goal)	75,000
(5) Miscellaneous Income	7,000
	\$377,000
(6) Offering through the Sunday Schools and churches October 28, 1956 (goal)	\$123,000
	\$500,000

The Total State Missions budget needs are \$500,000. The goal for State Missions Day on October 28 is \$123,000. Remember, this day for Missionary Baptist churches in North Carolina is the oldest of our Mission emphases. It has constantly undergirded our total World Missions program. If this goal is reached by our people, your 24 ministries of State Missions will have their 1956 needs met and the long standing overdraft on State Missions could be met in December and we could begin the year 1957 with a clean slate.

K. Therefore, will you as an individual and your Sunday School and church do your part so that the first part of **The Great Commission** might be obeyed—and that these rich ministries might be continued to the extent that next year North Carolina and the world might have many more Christians and be more Christian.

SUNDAY SCHOOL

The Sunday School Is A Missionary Force

The Sunday School is the greatest missionary force we have today. Particularly is this true if we include along with it the Vacation Bible School as we are doing in our Bible teaching program. This statement is true for several different and valid reasons.

For one thing it is a channel of means for missionary work. Our Home Mission Board reports twice as many Sunday Schools as churches in Cuba now, and this is true also on various foreign mission fields. Even Catholic children will attend a Vacation Bible School or Sunday School outside of a church building.

The Sunday school is a vital instrument in raising missionary money. In earlier days money for missions was raised through high-pressure collections. Often the pledges were never paid.

Since the Sunday school has become the channel for giving, and we have developed a generation of givers, we do not sustain such losses. Giving has become systematic, proportionate, and regular.

It is also a recruiting agency for missionary personnel. Though the vast majority of people are not in Sunday Schools, yet practically all of our missionary recruits come from the Sunday School membership. As they are taught in the various age groups about missions, missionary understanding and interest are created, and volunteering for missionary service is spontaneous. The Sunday School is the dynamo of the missionary enterprise.

The Sunday School Can Be Used As A Church's Most Effective Evangelistic Force And Field

The Sunday school force in a Southern Baptist church is the best-equipped of any organization to do soul-winning because of qualifications required by the church as to soundness in doctrinal belief, moral standards, church loyalty, and specific training.

It is the most effective church agency in evangelism because it is the only one that seeks to enroll the unsaved in its membership. This gives it an unprecedented advantage over any other agency among Southern Baptists in winning the lost to Christ. Every Sunday it has in attendance unsaved that do not attend any other service in the church.

It is the most effective agency in evangelism because of the unlimited scope of its contacts. The lost that attend Sunday School are representatives of homes that are unchurched, such as elementary children whose parents are unsaved, wives whose husbands are out of Christ, etc. These are all contacted in visitation or in social life in a wide-awake Sunday School.

It is the most effective agency in evangelism because of its intimate knowledge of conditions, environment, and attitudes that exist in the homes of the unsaved persons. This knowledge affords an advantage over all other organizations in the church in winning the lost to Christ.

Respectfully submitted, J. L. Carter

TRAINING UNION REPORT

The Training Union in the Burnt Swamp Baptist Association has made definite progress during the past year.

With the need for more and better trained teachers and leaders being felt in most of the churches, the value of Training Union has increased. More churches have sponsored study courses with greater enthusiasm than ever before. There has been training in a majority of the churches. Twelve of these churches requested training union awards. During the year four hundred awards were given to these churches.

During the associational year we have had four executive meetings, three officers and leaders council, and four mass meetings. The attendance at the mass meetings was overwhelming.

One of our outstanding meetings during the year was our "M"

night December 5, 1955, with approximately five hundred people present. We emphasized our young people at this meeting. The following topics were discussed in various age groups by capable leaders of our association: "Purity", "Honesty", and "Morality".

Our association was represented at our regional Training Union meeting. This meeting was held with the First Baptist Church of Fairmont, N. C.

As a result from the diligent work of many churches new training unions were organized. We thank these workers along with their pastors who have made this year a successful one in Training Union work.

Together with our Lord and Savior Jesus Christ let's make next year more successful for Training Union.

Respectfully submitted, Horace E. Howington,
Associational Training Union Director

REPORT OF WMU SUPERINTENDENT

There is always a feeling of regret when one comes to the close of a year; regret that more has not been accomplished. However good the year may have been, there is the wish that it had been better. So it is in the Burnt Swamp Association, we have had a good year, but not yet the best.

We are grateful to our Heavenly Father for the consecrated leaders we have had. They have been faithful to their task as laborers together with God. We have had several new officers this year. The following will be leading in the different departments: Mrs. Burleigh Lowry, Associate Superintendent; Mrs. W. G. Revels, Corresponding Secretary; Mrs. J. C. Oxendine, Treasurer; Miss Margaret Locklear, Mission Study Chairman; Mrs. Zeb R. Lowry, Community Chairman; Mrs. J. D. Brewington, Stewardship Chairman; Mrs. Marvin (Bernice) Lowry, Youth Director; Mr. Josephus Locklear, R. A. Leader; Mrs. Lacy Maynor, G. A. Counselor; Mrs. Dawley Maynor, Sunbeam Leader, Miss Mary Alice Pinchbeck, Y.W.A. Counselor; Mrs. Archie Lockee, Prayer Chairman; Mrs. Lacy Cummings, Carver School and Margaret Fund Chairman; Mrs. J. L. Carter, Literature Chairman; Mrs. Lillian Fay Locklear, Program Chairman. We are grateful for these faithful leaders.

As we compare 1956 with 1955, we do not find as great an increase in the work as a whole as we would like to see. Too many churches are still without organizations. We had hoped for a greater increase in tithes but we have failed to acknowledge God with our tithes and offerings as we should. Missions Study has not become a part of our church life as it should. When we study we learn; when we give we pray; when we pray we share; when we share we care. We should be more concerned about Missions.

One of the greatest joys of the year is the W.M.U., G.A. and R.A. Camp at Pembroke. This past summer we had a fine staff of workers. Miss Beverly Neilson and Mr. Lloyd Jackson of Raleigh were the representatives from the State Office.

The theme of our Annual meeting on March 24 was "HIS COMMISSION — OUR MISSION." We met with the Cedar Grove church. Fortunate we were to have Miss Virginia Miles, Missionary Nurse from the Philippines, as our guest Missionary. Mrs. G. Gordan Maddrey, State W.M.U. President, Mrs. J. D. Freeman, Regional Superintendent, Mrs. Steven Supt. of Robeson Association. Our Young People's Rally was held with Berea church on night of the 23rd while the Missionary was available. She showed pictures on her work.

For the first time in the history of our W.M.U. work, an OVER-NIGHT CAMP was held on July 6-7. There were 12 churches represented. Pray that God will continue to bless our work.

Respectfully submitted, Anna Mae Locklear
Associational W.M.U. Superintendent

THE BAPTIST BROTHERHOOD

Promotional work of any kind, to be effective, must be led and directed properly. Some person or persons must assume the definite responsibility of seeing that each phase of it is given proper attention and promotion if its purpose and objectives are to be achieved.

Eight of our churches have found that man, with that man as the elected leader of the Church Brotherhood. They have adopted a plan, a plan for that Church. This plan includes the vital concern of every man of the Church, with the pastor of the Church, of all the needs and promotional activities of the Church. What pastor would not welcome the assistance of each man of his church, with the operation of that church? That's Brotherhood in Action.

Perhaps one of the most important features of the committees in the Brotherhood is that they make certain groups of men responsible for definite phases of the promotional activity of the organization. When the Brotherhood adopts an objective, it should be passed on to one of the established committees or to a newly appointed committee for promotion. Such procedure enables the organization to have system, a plan in its work. It gives direction to its promotional activities. It spreads the responsibility for the promotion of its objectives. It also makes it possible for the organization to promote concurrently, efficiently and effectively two or more working objectives—an important factor in making it possible for the Brotherhood to carry out a well-rounded program of work.

1. The Eightieth Annual Session of the Burnt Swamp Association convened with Mt. Elim Baptist Church, Red Springs, N. C., at 10:00 a. m., Thursday, October 17, 1957. Song service was led by Bro. A. A. Lockee, and the devotional service was conducted by Rev. Knox Sampson.

2. The Association was called to order by Rev. L. W. Jacobs, Moderator. He read Matthew 5: 13-16. He gave a welcome to all present and recognized Rev. H. H. McMillan and Rev. E. N. Johnson, special visitors from Raeford, N. C.

3. The Moderator appointed the following to serve on the resolution committee: Rev. C. E. Locklear, C. W. Maynor, Chesley Hammond, T. E. Bell and J. L. Carter.

4. The Secretary read a proposed amendment to the Constitution and passed out the copies to the congregation. The proposed amendment dealt with the ordination of preachers and deacons.

L. W. Jacobs, Moderator

J. L. Carter, Clerk

**PROPOSED AMENDMENT TO THE CONSTITUTION OF THE
BURNT SWAMP ASSOCIATION****ARTICLE IV—Preachers and Deacons**

Section 1. An advisory Board, composed of five ordained ministers and deacons shall be appointed annually by the Moderator, whose duty shall be to assist the churches of the Burnt Swamp Association in adjusting their differences. They shall act as an arbitrator.

Section 2. They shall assist the pastors in ordaining preachers and deacons.

Section 3. A minister coming from another denomination must pass satisfactorily an examination along Baptist doctrinal lines before being recommended to his church for ordination.

**NORTH CAROLINA BAPTIST HOSPITAL
1957 REPORT**

Our North Carolina Baptist Hospital is dedicated to the service of those in need of medical care, the education of young people in various branches of medical service, and the bearing of a Christian witness throughout North Carolina and the world.

Once more it has set a new record in its ministry to sick people. Last year it provided 123,000 days of bed care for 15,784 patients. There were 61,000 visits to the out-patient clinics and 60,000 visits to the private clinics. Service patients came from 92 of the 100 counties of our State. This represents specialized medical care in twenty-five different fields of medicine and surgery. It represents the services of skilled medical specialists and special equipment in each of these fields. It represents a medical staff and equipment which, because of the many skills and the large investment involved, cannot be provided except in such a medical center. It provides medical service of the highest order for our people in North Carolina, whatever their financial circumstances may be.

The new Cobalt machine is in full operation, providing treatment for about 35 cancer patients each day. Our very fine plastic surgeon is doing highly skilled work, and our heart surgeon has performed successfully some of the newest and most difficult heart operations known. These services are typical of those offered by our Baptist Hospital.

If a person wishes to go to the Baptist Hospital for treatment, it is necessary that an appointment be made in advance. When an appointment is requested, accurate information must be given as to the general nature of the patient's problem and whether he needs to go through the out-patient clinic, rather than as a private or full-pay patient. The out-patient department is open to persons who are not able to pay the full cost of their medical care. In cases of emergency, or the need for immediate hospitalization, a local physician should always call or write the hospital in order that he may give the medical informatoin required before the proper arrangements can be made. If a person will not be able to pay his full hosnital bill when he leaves the hospital, definite financial arrangements should be made when he is admitted to the hospital and not left until later. This can prevent misunderstanding and unnecessary hardship.

It appears now that our churches of the State have made their largest Mother's Day offering this year. We are grateful for this because the needs for help have been greater than they have ever been before. Let us share in the ministry of our Baptist Hospital by giving generously of our prayers, our love, and our money.

"Knowledge lays bare world of interest.

"Knowledge opens the way for large usefulness.

"Knowledge vitally relates us to the whole universal scheme."

John 8: 32, "Jesus then said, And you will know the truth, and the truth will make you free."

Throughout the world, the United States is commonly referred to as Christian America. Yet, even as we talk about this, the news reporters tell us that war is threatening in Syria, a war that will take the cream of our young men, your sons. Our newspapers, radios, and televisions are full of segregation vs integration which burst into armed soldiers guarding one of our public schools—how do you think this sounds to the Christians in Nigeria or Asia or some other continent? The Russians put a small ball into the sky, about 22 inches in diameter and weighing 840 pounds, and the whole world trembles at the potentialities which spring from such an act. It could bring death, as the same principles that hold it there in the sky, could bring death to anywhere, to everywhere.

Now the 7-fold objectives of an education lay out the tremendous fields into which to lead the youth of America.

1. Intellectual development.
2. Building stores of knowledge.
3. Building the sense of the cultural.
4. Patriotism and citizenship.
5. Train as wage earners.

6. Train for a life of usefulness.

7. Train in the sense of God and truth.

The answer to America's problems, and to the problems of the world, lie in number 7 Train in the sense of God and truth.

II Timothy 2: 23-26.

Complaints come to me constantly about the youth of our area. They drive too fast, they drink too much, they pet too much, they do this too much, they do that too much. The college does not train them to do this or that the way they should be trained.

May I remind you that they are your young people and that they come to us in the condition in which you trained them. For some 18 years, more or less, before they ever get to college of any description, they have lived with you or people like, eaten at your table, slept in your homes, watched you day in and day out and seen the principles by which you live, act, transact your business, react to problems, go or not go to church—and it is you and folks like you they are copying.

Here in North Carolina we are doubly blessed in that we can offer our young people Christian Education. We have Wake Forest, Meredith, the Bowman Gray School of Medicine and Nursing, Mars Hill, Campbell, Wingate and Chowan. Also we have Southeastern Seminary at Wake Forest. All of these are fine schools, where your children may go and you will not have to worry about their learning atheism, communism, or any foreign ideas which we feel should not enter our way of life.

The education system is an example of Baptist cooperation—money, funds, and boards. The Association is the same example. Each church is independent, cooperates, but does not dictate.

But let's look at things in a straightforward manner for a moment: As your child enters college he is the product of many teachers:

1. **YOU THE PARENT.** The foundation you lay in his life is all that he has to build on. Regardless of how high he may go in education, the foundation you gave him will determine how strong will be the things he learned. Now, check yourself—did you take him or send him to church, or did you teach him Sunday was the time to repair your car and hang around the filling stations? When things went wrong, have you taught your daughter, your son to pray or to rant and rave? I could go on and on but you know this is the truth and that your responsibility cannot be put on the shoulders of anyone else.

2. **THE TEACHERS IN THE PUBLIC SCHOOLS.** Yes, they have had 12 years of training by at least 12 different teachers. Now, don't settle back and say "Well, she's off my back. I have no responsibilities there." Oh yes you do. As citizens of your community you have a double responsibility. One, see that your child gets there to learn. Two, see that your school has decent teachers. Mr. Young Allen told us that the day has passed when

a teacher can hold his job just because he knows certain committeemen. If you have poor teachers in your schools, who live improper lives, then it is your fault. It is up to you as parents to check up and see that the schools fit and maintain the standards which you think are the true ones.

3. Teachers in the colleges, and right now I am talking about our Baptist colleges. Before you condemn them too much, let me tell you of an embarrassing moment. My brother teaches in a Baptist college in another state. So when I visited him this summer I told him that North Carolina teachers are getting a raise. Then salaries came up for discussion. I tell you, that the lowest paid person, janitor usually, in our public schools, get more money than he does and he has 2 master's degrees and a family of 4 to support. He is only one, and an example of the faithful teachers who do their best to honestly educate your sons and daughters. They feel called of God to fill their positions. Their shoes cost as much and their eggs and butter are bought in the same stores you use. There comes a time when a higher salary has to be had and often they must leave our colleges to support their families.

So here, too, as Baptists we have a responsibility to see to it that our teachers get a fair wage, that they in turn may educate our youth.

The How of all this, like most things, can be found in the Bible. Are we too busy with ourselves to find out how and to do something about it? True, you may never suffer because of your neglect in this field but your children, grandchildren and other descendants may curse the day that you were too busy to care for the principles of Christianity—to see to it that they were kept in our Christian Educational system.

SUNDAY SCHOOL REPORT

Jesus established the Church. He commissioned it in Matthew 28: 19-20 which in part says, "Teach them to observe all things, whatsoever I have commanded." A properly functioning Sunday School guarantees that the Bible will be taught. Effective Bible study leads naturally to intensive effort towards reaching people, winning them to Christ and into Christian service.

This year, the Burnt Swamp Association reports 35 Sunday Schools. 6872 Sunday School enrolment, 289 baptisms, 35 Vacation Bible Schools and an active Associational Sunday School organization.

The State Sunday School Department reports a total of 3266 Sunday Schools. The Sunday School enrolment at the close of 1956, was 736,635. There were 2,764 Vacation Bible Schools reported during 1956. Thirty-five thousand, nine hundred training awards were earned in 1,192 churches last year. The state goals for 1957-58 are as follows:

"Ye are witnesses."

People.....	An enrolment gain of 30,000
Children.....	3,000 Vacation Bible Schools
Training.....	50,000 awards in 1,400 churches
Enlargement.....	150 churches moving from class to department schools
Efficiency.....	75 Standard Sunday Schools and 10 Standard Associations
Missions.....	100 new Sunday Schools

We pledge our efforts to help reach these goals by witnessing through all phases of Sunday School work.

THE COOPERATIVE PROGRAM

I. What Is The Cooperative Program?

"It is a program of cooperation, not among State Conventions, nor among churches, but between the Southern Baptist Convention as an organization and each separate State Convention as an organization. This cooperation involves three things, all of them related to the question of money—the soliciting, the securing, and the dividing of funds." (How Southern Baptists Do Their Work, Crouch, P. 70.)

The Cooperative Program is not something that has just been handed down to us in the life of Baptist work. Rather it is a sound method that we as Baptists have learned to use, because it best suits our program for and with Christ our Saviour and Lord.

The churches in a state send their money to the State Board. The State Board takes out whatever necessary expenses have been incurred in promoting the Cooperative Program and divides the rest of the money as between the State and Southern Baptist Convention on an agreed percentage. The ideal percentage of division is 50 per cent for State causes and 50 per cent for Southern Baptist causes. The money for the Southern Baptist causes is sent by the State Convention Headquarters to the Executive Committee of the Southern Baptist Convention, Nashville, Tennessee.

In the distribution of funds to the agencies, the State Convention fixes the percentages for State causes, the Southern Baptist Convention fixes the percentages for Southern Baptist causes.

II. VALUE OF THE PROGRAM

The program has three values which are of supreme importance. First, all the causes fostered by our denomination are cared for on a sound percentage basis. Second, each individual member of a Baptist Church who contributes, whether little or much, can

and do take part in all the Southern Baptist Program. Third, each Baptist Church can rest assured that they are having a part in a well rounded program. The churches with few members can and do participate as well as the churches with many members. Thus, a feeling of oneness is developed and maintained.

III. THE PROGRAM IS SCRIPTURAL

The work supported by the Cooperative Program may be classified under three heads: Missions, teaching, and benevolence.

Missions: This means the preaching of the Gospel at home and abroad. Just before His ascension, Jesus said to His disciples: "Ye shall be witnesses unto me both in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost part of the earth." (Acts 1: 8.)

Teaching: In the Great Commission of Christ: "Go ye therefore and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you always, even unto the end of the world." (Matt. 28: 19-20.)

With the many State Convention Baptist schools and colleges, we have Southern Baptist teaching agencies such as: CARVER SCHOOL OF MISSIONS AND SOCIAL WORK, Louisville, Ky.; GOLDEN GATE BAPTIST THEOLOGICAL SEMINARY, Berkeley, California; NEW ORLEANS BAPTIST THEOLOGICAL SEMINARY, New Orleans, Louisiana; SOUTHEASTERN BAPTIST THEOLOGICAL SEMINARY, Wake Forest, North Carolina; THE SOUTHERN BAPTIST THEOLOGICAL SEMINARY, Louisville, Ky.; SOUTHWESTERN BAPTIST THEOLOGICAL SEMINARY, Fort Worth, Texas. This great religious education program is fostered through the Cooperative Program.

Benevolence: The benevolent work of the denomination refers to the work done in order to secure the happiness and well-being of the needy. Therefore, we have orphans' homes, hospitals, and ministerial relief.

James says, "Pure religion and undefiled before God and the Father is this, To visit the fatherless and widows in their affliction, and to keep unspotted from the world." (James 1: 27.) Again he states, "If a brother or sister be naked, and destitute of daily food and one of you say unto them, Depart in peace, be ye warmed and filled; notwithstanding ye give them not those things which are needful to the body; what doth it profit?" (James 2: 15-16.)

These are some of the things that are accomplished through and by the Cooperative Program as we support it. I pray that our giving shall continue to grow until we can send sufficient numbers of Missionaries to all the world that the glorious message of Christ may cover the land as the water covers the seas.

Several years ago, Arch C. Cree explained the Cooperative Program in the spirit of the command of Christ which we call the Golden Rule: "Whatsoever ye would that men should do to you, do ye so to them." (Matt. 7: 12.) His interpretation is:

IF

"If you were an Orphan, or your children were orphans, would it not be a gloriously blessed thing for someone adequately to support and to equip the Orphans' Home—FOR YOU

"If you were young, with bright mind, plastic, and ready for the molding hand of Christian teachers, would it not be a gloriously blessed thing for someone to support Christian schools and colleges—FOR YOU

"If you were sick, in need of medical aid and treatment, would it not be a gloriously blessed thing for someone to support our hospitals—FOR YOU

"If you were old, having spent your strength as a preacher of the Gospel, or the wife of a preacher, would it not be a gloriously blessed thing if someone provided adequate ministerial relief funds—FOR YOU

"If you were lost, unsaved, in some destitute part of the homeland, or in some foreign clime, would it not be a gloriously blessed thing if someone sent a missionary your way to preach Jesus—FOR YOU

"If you met Christ walking your way looking for those who will help him bless and save the world, would it not be a gloriously blessed thing if you could say to Him, 'Master, All these things have I done—FOR YOU.' "

(ibid, P. 78)

STATE MISSIONS

STATE MISSIONS is the missionary effort on the part of North Carolina Baptists to reach the unsaved for Christ and teach, enlist, and train the saved in giving, living, and serving through the churches and throughout the world.

There are 4,500,000 people in the State. About 2,100,000 of these above the age of eight years are affiliated with some kind of church. About 2,000,000 above the age of eight years are unchurched. Perhaps 25 per cent of the affiliated church members are unsaved; then more than 60 per cent of the people of North Carolina, above the age of eight years, are lost. North Carolina, therefore, is not half Christian.

We have over 846,000 Baptist church members in North Carolina. Perhaps 40 per cent of these are enlisted and are being taught and trained in Christian giving, living and serving. This means that 60 per cent of our church constituency is not dedicated in the Christian profession. In this undeveloped area, the churches have their primary challenge.

Our people need to be taught and trained. Over 2,800 Vacation Bible Schools will be reported for 1958—giving \$50,000 to

World Missions. Over 7,000 of our Baptist people attended Training Union Weeks at Caswell, Fruitland and Ridgecrest this summer. Perhaps this is a record attendance. The R.A. camps were full.

Since 60 per cent of the people in North Carolina are lost—they need the Savior. State Missions provides a Department of Evangelism that seeks to inspire pastors and churches to evangelize their communities; also, to plan for and promote united evangelistic efforts on a state and associational-wide scale. Since the organization of this Department, baptisms have greatly increased. We had reported 1330 more baptisms in 1957 than in 1956. North Carolina Baptist churches baptized more people last year than any other state except Texas.

A growing population demands new and stronger churches. State Missions provides a necessary and significant ministry through aid and some one hundred or more salaries for pastors. These supports enable new churches to move forward in a building program and other churches to strengthen their programs and enable the pastors to give more of their time to developing stewardship churches. During the past year, approximately \$150,000 was invested in this work. Six out of every ten Baptist churches in North Carolina have been assisted in one or more ways through this ministry. Requests for lot aid already in 1958 amount to \$88,000.

A more highly developed and intelligent congregation demands a better trained pastor. Pastors' Schools are promoted through State Missions to meet this growing demand. Last year about 175 pastors received better training at Fruitland. Refresher courses are offered at Mars Hill and Chowan Colleges each summer for the benefit of all pastors and their wives—trained or untrained. Approximately 500 attended during these weeks of Christian Study and Fellowship this summer.

If we meet the requests on church lots and pastoral aid already in for 1958, the budget will require \$602,000.

Therefore, the total State Missions' needs are \$603,000. The goal for State Missions' Day on September 21 is \$250,000. Remember, this day for Missionary Baptist churches in North Carolina is the oldest of our mission emphases. If this goal is reached by our people, your twenty-two ministries of State Missions will have their 1958 needs met and the overdraft on State Missions from 1957 (\$27,000) could be met in December.

Will you as an individual through your Sunday School, W.M.U., and church do your part, so that the first part of **The Great Commission** might be obeyed—and that these rich ministries might be continued to the extent that next year North Carolina and the world might have many more Christians and be more Christian.

Respectfully submitted,

Mrs. Robert Jones

ASSOCIATIONAL MISSIONS

The association is a most important unit of organized Baptist work. It was the first organization of churches and is the one closest to the churches. The original purpose of the association in Baptist life was **fellowship** and **missions**. To this has been added promotion of the denominational programs.

Christian fellowship is a foundation upon which Baptists can build in their understanding and working together in the achieving of common objectives. The association is the only Baptist body that examines the doctrines of a church to determine whether its affiliation would contribute to the fellowship of the body. The association requires agreement with other churches on doctrine, program work and preaching the gospel to all men. In this position the association lays a firm foundation on which churches may work together in a mission program at home and with other Baptist bodies in promoting missions to the ends of the world.

The associational organization is the one upon which Southern Baptists depend to get their objectives promoted through churches. Whenever the association fails, the denomination fails. The losses

in churches are found where churches are not properly functioning through the associational organizations.

World missions is the work of the churches. The purpose, work and promotional effort of the association is to assist the churches in their world-wide task. All promotion of programs, institutions, education, the Cooperative Program of the State Convention, and the work of the Southern Baptist Convention through its agencies and Home and Foreign Mission Boards, are carried to the churches through the associations. Associational Missions develops the churches for world missions.

The programs of the denomination are made for the churches. These programs have as their aim to win the lost, teach, train, enlist, and develop the individual church member to become a good witness for Christ to the whole world. The associational program takes this denominational program to the last church. Each church is to be a world witness.

Our churches today must furnish witnesses for soul-winning in their own community and establishing new churches in other communities. They are the only source for missionaries to the rest of the world beyond their own community and for money with which to send them. Wherever the association has an aggressive program that reaches the churches, the world mission program is simultaneously advanced. But where there is no associational program, the mission thermometer is low, even in baptisms in the local church.

It all adds up to the simple truth that associational missions is a part of world missions, and consequently we should support adequately and fully our association work; for it is the key through which Baptists will work at this task of winning the world for the Master.

FULL-TIME PASTORS

But when he saw the multitude, he was moved with compassion on them, because they fainted, and were scattered abroad, as sheep having no shepherd. Then saith he unto his disciples. The harvest is plentiful but the laborers are few; pray ye therefore the Lord of the harvest that he will send forth laborers into the harvest. Matt. 9: 36-38.

Who is it filling the pulpits of the Burnt Swamp Association? A person should bear the title of the profession or occupation claiming most of his time; therefore, our pulpits are employed by school teachers, farmers, mechanics, service station operators and etc. Napoleon once sat as judge of one of his soldiers who had committed a crime. Napoleon asked the soldier his name. The soldier replied, "Napoleon." Napoleon then said, "Soldier, you must do one of

two things: You must change your ways or change your name." So it is with the ministers of the Burnt Swamp Association; we should change our ways or change our title.

I believe God calls ministers into full-time work today as he did in the days of his disciples. When God called Peter for service, Peter didn't follow on Sunday and return to his nets Monday morning, but he accepted the call as full-time; therefore, when he stood around the fire at the trial of Jesus, he was known as a disciple of Christ, not a fisherman. When the ministers of our association are permitted to get out of the mad rush of the age, and are set apart for God's service, then they will be recognized as God's true disciples.

Our churches today are losing ground because we practice a one-day-per-week religion. During the week our ministers are absorbed in a material life trying to support their families, while humanity cries out, "no one cares for me." Yes, we want an educational program that reaches from the cradle to the grave. We want our communities evangelized, our mission work promoted, someone to counsel in all affairs, someone to stand in our pulpits and deliver the gospel that our spiritual strength might be renewed. At the same time the pastor must be a model husband, a devout father, and a loyal citizen. Surely to do all this is a full-time job.

God's word is intended to strike like a whiplash, burn like fire, cut like sharp steel, and pierce like a sword saturated with a loving concern. Because of the manner in which the gospel has been presented and its spread prohibited, many are calling light darkness and darkness light. They are calling evil good and good evil; having a form of Godliness, but denying the power thereof.

Many of us have labored into the evening of time, not knowing the real job of laboring for and with Christ. We should learn a lesson from Christ's visit with Mary and Martha. As Martha was worried and troubled about material matters, Mary sat at the feet of Jesus ministering to Him. Jesus said, "Martha, Martha, thou art careful and troubled about many things, but one thing is needed and Mary hath chosen that good part which shall not be taken away from her." The material works of this life shall end at the grave; but spiritual values shall last on and on through our eternity.

May we stop long enough to realize what a change has been wrought in our lives since Jesus came into our hearts. Remember on the hill of ascension Jesus said, "Go ye into all the world, preach my gospel to every creature." Listen to the groanings and wailings of suffering humanity. Then we are assured Christ is the answer. How then shall they call on Him in whom they have not believed? How shall they believe in Him of whom they have not heard? How shall they hear without ministers of the gospel? How shall they preach except they be sent?

Respectfully submitted,

BROTHERHOOD

I am indeed happy with the progress that has been made in organizing Brotherhood Chapters in the churches of the Association. We have 14 organized Chapters, and two churches have recently requested help in organizing Brotherhoods. This will bring our total to 16. This is less than half of our churches, but nevertheless encouraging as others continue to show interest in this program. My desire is to see a Brotherhood organization in each church. My thoughts today, however, are not the number of organizations, but the quality of programs.

From my limited experience in this and other organizations, I believe that a clearly defined activity with noble objectives is the best way to keep your Brotherhood serving its best purpose. The activity that I am promoting for the next year, and hope that each of our local organizations will also promote, is the Order of Royal Ambassadors. This boys

organization, founded in 1908 by the Woman's Missionary Union and fostered by that group for almost fifty years, is now the responsibility of the Brotherhood.

Royal Ambassadors are looking to the Brotherhood Commission and Brotherhoods over the Southern Baptist Convention for sponsorship, leadership and guidance. What a responsibility! What an opportunity!

Every church within the confines of our Association should have one or more Royal Ambassador chapters. Brotherhoods, through Convention action, have been charged with the responsibility of organizing, leading and supporting these chapters.

As men of the Brotherhoods pick up the torch of Royal Ambassador responsibility, surely we can say with the Apostle Paul, "He hath begun a good work in you." No greater work can be done than that of giving boys Christian leadership. No work is as imperative as that of helping boys understand the need of the world for a living Christ.

Respectfully submitted,
English Jones

ASSOCIATIONAL MISSIONARY

May I take this privilege to thank you for your prayers, cooperation and words of encouragement, also patience, as your Associational Worker. The work being new, there is lots to learn in order that I may be an efficient worker in the Lord's vineyard. May I ask you to pray for me, that I may be a workman that needeth not to be ashamed, rightly dividing the word of truth.

The Organizations — The associations that have been successful in promoting the kingdom and extending its influence have been those with organizations set up and functioning. It remains then, that one of the first steps in effective associational work is setting up proper organizations with at least the best available leadership.

Associational organizations for the promotion of the work are Sunday School, Training Union, W.M.U., Brotherhood and a full-time Preaching Program. These, it seems to me, are basic. Beyond these, according to need, are Music, Library, Evangelism and Stewardship.

Leadership — To head these organizations should be the best possible leadership. There is little value in the organizations without effective leadership. The pastors and the heads of the Associational Department Organizations should help to find the people for these positions. If there are people with experience, ability and know-how available, that is fine. But there are many potential leaders who have never been discovered. Some of the finest contributions made have been by those who have discovered good potential leadership and have helped them come to know their duties. Many people who have been named to a place of leadership do not know what to do. As a general rule, the person who is interested will do something if he knows what to do. Care should be exercised in

selecting leaders. Always seek the best available. Let them know what to do and how to do, and expect them to do it. Asking for reports will focus attention on accomplishments.

Calendar of Activities — Having secured the leadership for the organizations there should then be prepared a calendar of activities. This calendar should be prepared in plenty of time to be presented at the annual meeting of the Association, if possible. It should take into account the activities of the denomination, both in the State and Southern Baptist Conventions so as to avoid conflicts and to assure participation in the local area with the total program.

Finance — With good leadership and an aggressive program of activities there will be financial needs that should be underwritten by the Association. The budget should be sufficient to assure a well-rounded program. An amount should be included to care for at least the expense of outside speakers who are used from time to time.

Program — The program of the various organizations should be designed to coordinate and strengthen existing churches and their program of work. These programs should be well planned so as to have speakers and conference leaders who know what they are doing. In a sense they should be experts in the field they represent. At least they should have the know-how and experience to be shared with the group whether Sunday School, Training Union, Brotherhood, W.M.U., Music, or whatever organization is meeting. The people in attendance should go back to their churches better prepared for their task in their local church.

The emphasis of the denomination should be kept before the people. If the Associational leaders emphasize, for example Stewardship, and urge the local church leadership to do so, then the entire church would be aware of Stewardship responsibility, which would be reinforced from the pulpit. The program should be designed to strengthen weak churches. Whatever the weakness, Evangelism, Stewardship, Missions, the Associational organizations should strengthen the weakness.

In addition to coordinating and strengthening existing work, the Associational program should have an aggressive extension emphasis to look out for areas where a new church should be organized or a mission started. Churches without all the organizations should be led to add those they do not have.

Into All The World — The World Mission Program of the denomination has no way of getting into many churches except through the Associational organizations. They need to be aware of the world and of what Baptists are doing to meet those needs. The only way to enlist support in money and prayer and to secure personnel for the Lord's work is through the function of the Association and its organizations.

We read the Great Commission in Matthew 28: 19-20, Go ye; that means all that profess to know Him, therefore; to prove that we know Him as Lord of our lives. Teach. What? God's way of redemption. To whom? All people; color makes no difference. Baptizing. For what? To show we have been buried and resurrected with Him. In name of whom? God, Father, Son, Holy Spirit. Teach. What? To carry the

Gospel to the ends of the world, and by doing so we are assured of His presence always, even to the end of the world. Are we obeying Him? What is your answer?

Respectfully submitted,
Dawley Maynor

NORTH CAROLINA BAPTIST HOMES FOR AGING

"Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me." (Matthew 25: 40)

The ninth year of operation of the Baptist Homes for Aging began March 16, 1959. All three of the Homes — Resthaven, Albemarle and Headquarters — have had a good year, and have been filled to capacity — 119, counting residents and helpers. When vacancies occur, there are always more applications on the waiting list than rooms to be filled.

Since the average age of a resident is about 80 years, there were several deaths during the year. Among the deceased was the oldest resident, "Uncle" John T. Holt, formerly of Wilson Mills, N. C. He died July 13, being 99 years of age. Had he lived until February 26, 1960, he would have been 100 years of age. He was a resident of the Homes nearly eight years, and for the past two years was a patient in the infirmary of the Homes. He was a great soul, and will be keenly missed.

This has been another year of God's favor upon the Homes and of encouraging progress. While the campaign to raise funds to build the fourth Home in Eastern Carolina, at Hamilton, has not been completed, yet there is good reason to believe that the money will be secured this year and construction will begin. Don G. Matthews of Hamilton has given the land for the site, and most of the \$50,000 which he promised. He is ready to give the balance when the extra \$100,000 has been raised. With reorganization of plans and persistent effort, the balance needed can and will be forthcoming.

The construction of the Infirmary Annex, which will give 28 additional bedrooms and some utility rooms, is getting underway. The contractor, R. K. Stewart & Son of High Point, has been selected. Order for structural steel has been placed, and the work should progress as rapidly as possible. The estimated cost of the Infirmary Annex is \$193,035.

The two most pressing needs of the Homes for Aging now are:

1. To finish raising the funds to start construction of the Hamilton Home.
2. To raise about \$150,000 to cover the balance needed to pay for the additional facilities in the infirmary expansion.

When these two projects are completed, 60 more bedrooms will be added for anxious and needy residents, thus increasing the total capacity of all the Homes to 170 residents.

Would you like to have a generous part in making these plans become a reality at the earliest possible date? If so, please let us hear from you. Why not furnish, or endow, or construct a room with your gift? \$600 will furnish, \$1,000 will endow, and \$4,000 will construct a room. If you are not able to do as much, send the amount you can give to the N. C. Baptist Homes for Aging, Winston-Salem.

A Special Day Offering of \$175,000 in February, 1960, will help to meet infirmary cost, and continue to give financial help to residents who need aid.

All connected with the N. C. Baptist Homes are most grateful to the churches, individuals, and corporations for the help given to offer our aging friends who live in the Homes a program of security, comfort, congeniality, and a Christian ministry.

NORTH CAROLINA BAPTIST PROGRAM OF CHRISTIAN EDUCATION

In this report we are considering Christian Education in terms of our seven Baptist colleges in North Carolina. In its broader meaning, the term includes many other educational and training activities in our local churches.

Chronologically we recognize our seven colleges as follows:

Wake Forest College	1834	Wingate College	1896
Chowan College	1848	Meredith College	1899
Mars Hill College	1856	Gardner-Webb College	1907
Campbell College	1887		

It should be noted that progress in our North Carolina Baptist program of higher education has not been in the number of institutions, but in the changes made within the seven institutions which have been in operation for more than half a century. Fortunately, the geographical distribution of these colleges throughout our state makes one of them fairly close to all our Baptist young people. Time does not permit us to review the growth of each of these seven colleges, but we would remind you that as a group they now constitute a program of higher education second only to Texas among all the states in our Southern Baptist Convention territory. In these seven colleges are enrolled each year nearly 8,000 students, or more than one-eighth of all college students in North Carolina. The annual operating budgets total more than \$10,000,000, of which our Baptist people, through church offerings, provide approximately five per cent. Students, through tuition and fees, pay ap-

proximately 60 per cent, and the remaining 35 per cent comes from endowment and gifts. If it were possible for the colleges to apply the total of approximately \$1,000,000 given through our churches to their operating costs, the present five per cent would become ten per cent of the operating costs. It is hoped that this will be possible in the near future through some long-range Convention plan for meeting the capital needs of all institutions and agencies, thereby leaving income from Cooperative Program and special offerings for current operating needs.

Perhaps the most significant development in the work of our colleges in this present year is the action of our Baptist people in adopting the report of the Convention Committee of 25 as it relates not only to the colleges but to all other Baptist institutions and agencies. We would urge all our people to read this report carefully as it relates to these colleges. It does not recommend the addition of any new college at present, but it emphasizes the necessity for our recognizing the increasing demands upon these colleges which can be met only through growth in all respects. The Committee recommends that consideration be given to the possibility of changing the status of some of the two-year colleges to four-year colleges, and already progress is being made in this respect.

These Baptist colleges will continue to be faced with the competition of all other colleges in both the quality of their work and the growing costs of operation and expansion. Our college young people must be convinced that academically they are as good as the best, and that these Baptist colleges also provide for them what present-day young people expect and demand in a college community. As Baptist church leaders and parents of these young people, we want our colleges to be Christian and to present a positive Christian witness at all times and in all respects; but we cannot stop here and expect to attract our young people. Such matters as costs, scholarships, athletics, etc., will be determining factors.

As Baptists, we must love our colleges to the point of understanding them and their importance in all departments of our work. If we love them and believe in them, we shall see that they are given sufficient money to become the kind of colleges that will attract our young people. We can't force young people to go unless they want to go. We must join hands with administration and faculty to make these colleges so attractive that they will be selected by our young people. As a denomination, our future will depend largely on the type of leadership we educate in our colleges.

For the third year our Christian Education emphasis was observed on Father's Day, Sunday, June 21. The response this year has been most encouraging, both in the wide use of the various promotion materials prepared and in the offerings made on Father's Day. It is our hope that the observance of this annual emphasis will result in a better understanding of these colleges and their importance in our work, as well as added financial aid sufficient to meet the ever increasing costs of operating these colleges. Every possible effort must be made to keep the charges to the students as low as possible. Many of our finest Baptist young people are among our lower income families and find it difficult to meet the costs of a college education.

With all the progress we have made in enlarging the facilities of these seven colleges, we are providing for only one of every four Baptist youth going to college; and it is doubtful that we shall be able to maintain this ratio with the coming tidal wave of college students, nearly one-half of whom will be our Baptist young people.

It is the earnest desire of our North Carolina Baptist Council on Christian Education that we be alert in all our Baptist churches to recognize and to direct promising young people into one of these Baptist colleges.

As pastors, parents, and church leaders, we should face these facts courageously and lead our people in meeting this great but not impossible challenge.

SUNDAY SCHOOL

The Sunday School is the Bible teaching agency of our churches. It provides an aggressive program of Bible study that reaches out to win the lost. This same program guides the saved in continuous spiritual growth necessary for the Christian. Using the Bible as its only authority, the Sunday School provides a program of Bible study for everyone in your church's families from the youngest child to the oldest grandparent.

Here in the Burnt Swamp Association the Sunday School officers have tried to continue that spiritual growth by having monthly meetings with the officers of the Sunday Schools in our Association. At these meetings we have discussed such topics as Evangelism, Visitation, Standard of Excellence, Stewardship, Enlargement, and the Use of The Officers' and Teachers' Meeting.

Earlier I stated that the primary function is the teaching of the Bible. It should never get away from this as its primary function. However, because the average Sunday School will touch the lives of more people during a week than any other organization or activity of the church, it has become also a vital force for the promotion of practically every phase of the church program.

The place for this promotion to begin is in the Officers' and Teachers' Meetings. Here are the key persons who will be in positions to carry the promotion to the greatest number of people. In the Officers' and Teachers' Meeting we can promote the entire church program, such as Stewardship and Giving, Revivals and Evangelism, and all the other organizations of the church. Thus the Sunday School Officers' and Teachers' Meetings contribute much to the fellowship of the entire church.

Let me challenge you as messengers from your churches to go back to your church and organize your Officers' and Teachers' Meeting (if you do not have one) so that our Sunday School will continue to be a strong agency for Bible teaching and winning the lost.

COMMUNITY AND COLLEGE WORKING TOGETHER TO MAINTAIN OUR CHRISTIAN HERITAGE

Our nation was founded by men who believed that there was a Divine Creator who endowed men with unalienable rights. They believed, as George Washington put it in his Farewell Address, that religion and morality are the great pillars of human happiness and that morality cannot prevail in exclusion of religious principles.

The people who founded our country were religious people. They believed in a brotherhood of man under the fatherhood of God. We like to think that our American heritage is basically Christian, and that all education, whether it be a State-supported institution or a Church-supported institution, undergirds our Christian heritage.

The subject we are considering is "Community and College Working Together To Maintain Our Christian Heritage." It is our hope that all true education will support our Christian heritage and that it will be done through voluntary action on the part of the community and college leaders. Now and then in some of our colleges there are some who care very little for our Christian heritage. They object to any kind of religious services that would magnify Christ. They object to the reading of the Bible in our schools. They object to any kind of religious service in our schools. I am glad to say we have very few of that kind in our local college at Pembroke.

It is part of our American tradition that, in the matter of separation of church and state, we do not use our tax-supported educational institutions to propagate any particular religious denomination. Although we have separation of church and state I trust that no college, supported by church or state, will ever attempt to destroy our Christian heritage.

In our community, and in other communities in our Southland, we are all more or less a church people. We of the Southeast constitute, I suppose, the greatest solid block of Protestants on earth. The church wields a great influence on our lives. A large percentage of our population are church people. Sometimes we are called "The Bible Belt." I don't think we deserve it. Yet, throughout the years we have had a Christian heritage that was bought with a price by our forefathers. We want to maintain that heritage.

The community and college can cooperate in maintaining our Christian heritage by having Christian administrators, Christian faculty members, and Christian leaders in our schools and other community institutions.

An excellent way in which our community and college can cooperate in upholding our Christian heritage is to have a closer relationship between our community and the religious organizations on our college campuses. In our church schools and in many of our state institutions there are organizations such as the W.F., B.S.U., and other religious organizations which the community can support materially and spiritually. Certainly ministers can help by acquainting their congregations with the fine work which these religious groups are doing to uphold and maintain our Christian heritage.

Certainly the college and community can and should work cooperatively to support and strengthen such institutions as the home, the church, public schools, and all other institutions and agencies which contribute to the upbuilding of people.

Everything possible should be done to protect our people in these trying times in their right to worship God freely. College and other community leaders should work together against the invasion of any foreign philosophy of religion that would tend to destroy or undermine our Christian heritage in this great land of ours.

As a Baptist, I'm proud of the fine work which our seven Baptist colleges and their respective communities are doing for the youth of our state. Communities all over the state are working with these institutions in a material and spiritual way to enable them to do their utmost in maintaining our Christian heritage. Our Christian colleges seek to lead their students to a saving knowledge of Jesus Christ, to develop in them Christian attitudes towards the whole of life, to prepare them for intelligent citizenship, for homemaking, and for professional and other fields of service.

If this nation of ours is to be wise as well as strong, if we are to live up to our national promise, and live up to our destiny, then we must preserve our religious freedom and maintain our Christian heritage.

I am reminded of a little statement in the Book of Isaiah. It is this, "They inquired the way to Zion with their faces radiant." I'm sure that will be true of our Southern Baptists. Let's all, community and college, work to uphold our Christian heritage. We can do this in our schools, in our homes, in our workshops, in all our walks of life. May the Faith of our Fathers not depart from us. Let us turn our faces and keep our faces turned in Zion's direction.

WOMAN'S MISSIONARY UNION

Looking at the work of the past year 1958-1959 we bow in humble gratitude to our Father for what was accomplished; yet there is a deep feeling of regret that so little was achieved.

Our annual meeting was entertained by the Woman's Missionary Union of Bear Swamp Church April 18, 1959, and was highlighted by talks by Miss Miriam Robinson and Miss Lydia E. Greene, missionaries to Malaya. They challenged us to a deeper consecration.

Many things need to be stressed in our W.M.U. work. We need more W.M.U. magazines and more well-planned programs. Many leaders fail to attend the leadership institutes and conferences. Those attending the Workshop at Wake Forest College were Mrs. Dawley Maynor, Mrs. Russell Locklear, Mrs. John J. Brooks, Mrs. Stella Sampson and myself.

The work of our Young People has advanced. A splendid Associational Camp for G.A. and R.A. was held in June, with Miss Barbara

Rodman leading the girls and Josephus Locklear and Lloyd Jackson leading the boys. A fine staff of teachers and counselors was secured. Time and space will not permit us to give due credit to all the fine work done by our staff. Mrs. John Oliver of Brazil and Rev. Samuel Bagby were our missionary guests. Our Associational Camp is one of our greatest challenges. We trust that the camp site will be developed to the extent that it will be utilized the year round.

We had the privilege of teaching Bible in our State Junior G.A. Camp at Fruitland this summer and enjoyed it immensely.

Offerings to the four special missionary causes were \$443.62.

Thirteen of our 36 churches report no missionary organizations at all. It is hoped that four new organizations might be realized during the year. We have been asked to speak to the College Y.W.A. group, giving information and suggestions. This, too, is a great opportunity for serving college young people.

Among other things which we hope to stress this year is the study of more stewardship books, soul winning and prayer.

There is much to be done. We have failed to reach our goals, but we are grateful for God's help in the little we have accomplished. With the Psalmist we would say, "Bless the Lord, all His works in all places of His dominion; bless the Lord, O my soul."

PRISONERS' FRIENDS SOCIETY

The Society now has a membership of 45 members. The Society would appreciate having you as a member of the Society. The primary aim of the Society is to promote the religious work at the prison.

Matthew 25: 34-40 gives our Christian obligations. We as Christians have a great responsibility in training our young people. We are partly responsible for many of those boys that are in prison, because we have failed in our Christian duty.

Are we providing the right kind of training in the home, church and in the community? Are we living the life before our children in the home? Are we training them in family worship? Are we training them as Royal Ambassadors in the church? Are we behind our 4-H work, Scouts, and are we providing wholesome recreation for our young people in the community? If we fail in our Christian duty, it is no wonder that many of our young boys wind up in prison.

Volunteer workers have been giving of their time and services for over twelve years in this prison unit, because they realize that it is their Christian duty. Services are provided each Sunday. Every first and third Sunday morning and every second and fourth Sunday evening there are Sunday School and Worship Services. Each Saturday evening volunteer Christian workers conduct a Bible study session and a counseling period. Every Saturday morning from 7:00 to 11:00 a teacher, provided

through State funds, conducts educational classes with the assistance of volunteer workers. This fine program of Christian ministry is carried out in the noisy inadequate mess hall of the prison unit. A chapel is desperately needed to improve the ministry of the gospel and the teaching program at the camp.

Rehabilitation should be the concern of every citizen. Over half of the men in prisons of the United States are there for the second time. We want to win them to Christ during their first sentence.

We cannot afford to wait for the State to provide a chapel. The State han't the money If they had the money, a chapel would have to be built in each prison in North Carolina, which would probably take years before a chapel would be built here. The need is now, and we want to sell it to the Christian people.

I have with me three letters. One is from the Prisoners' Friend Society, expressing the need for a chapel. One is a partial copy of a letter received by the Secretary of the Prisoners' Friend Society from Dr. E. H. Johnson, Assistant Dirctor of the North Carolina Prison Department, giving the State specifications and the cost of the construction. The other is the Constitution of the Prisoners' Friends Society.

We want you to take these letters and present them to the churches. Discuss and get the reaction of the church members and have a representative from each church in our Association bring a report to the next meeting of the Prisoners' Friends Society, which will be held at the First Baptist Church in Pembroke, November 8, 1959, at 3:30 p. m. We will then know whether or not you are in favor of building a Chapel at the Prison Camp.

Respectfully submitted,
Josephus Locklear

AMERICAN BIBLE SOCIETY

The Bible is "The Book for Everyone". This is more than a slogan. It is the deep conviction of the American Bible Society and of all who recognize their stewardship of the Word of God.

If the people of the world are to know Jesus Christ the one hope of men and nations, they must have the Bible.

Each person must have the Bible in his own language because it speaks to his heart as no other language can speak.

But, in most countries, people cannot afford even the cost of printing the Scriptures.

The Bible is the essential tool of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he must leave and keep on speaking to a person's heart.

The American Bible Society is an active partner of Southern Baptists. It serves every form of Southern Baptist mission work at home and abroad. It helps missionaries to translate the Bible. It publishes without note or comment and distributes without profit, usually below cost.

During 1959 the American Bible Society—

Donated more than a million Scripture volumes for distribution by the Chaplains to our Armed Forces and to patients in Veterans' Hospitals, providing a vital link between the home churches and the men and women in service.

Approached its 125th anniversary of supplying Scriptures for the Blind, far below cost, in Braille and other raised-letter systems and on Talking Book records.

Rejoiced that some part of the Bible has been published in 1151 languages: the full Bible in 219, a Testament in 271 more and a Gospel or other complete book in 661 more.

Continued to supply Scriptures in such strategic areas as West Germany and other lands along the Iron Curtain, Africa, Latin America, Japan, Korea, India and to many Chinese now living in other countries outside the communist-controlled China mainland.

Distributed a total of more than 17½ million Scripture volumes. This was an increase over the 15 million volumes averaged in recent years, but still short of urgent needs.

Last year all the Bible Societies of the world together distributed over 27 million volumes of Scriptures. But that is less than the number of people who learn to read each year!

Many people around the world now wait for the Bible - wait for gifts to the Bible Society to make up the difference between the cost and the price they can pay. How long must they wait?

Southern Baptists Support the Work

Because the Bible Society serves mission work-and Southern Baptist missionaries depend on the Society for Scriptures they need for their people -Southern Baptist churches believe in the missionary importance of giving to the American Bible Society.

One year, 1958, Southern Baptist churches led all denominations in gifts to the American Bible Society. But in 1959 Southern Baptist gifts of \$144,200 stood second. Methodists led with gifts of \$156,244. Gifts from all churches in the U. S. A. totaled \$955,135.

The help of every Southern Baptist church is needed each year. Has your church given to your American Bible Society this year? Here are suggestions, based on what many churches are now doing:

Every church can give at least these amounts each year:

Country and Village Churches.....	\$ 10.00 to \$ 25.00
Churches in small cities.....	\$ 25.00 to \$100.00
Larger churches.....	\$100.00 to \$200.00
Great city churches.....	\$200.00 to \$500.00

Please send gifts to your Baptist state office marked "for the American Bible Society".

BROTHERHOOD

I believe, as I am sure you do, that a church in order to do its most effective work in winning the lost to Christ, must have the support of its male members. We, your associational officers, stand ready and willing to do anything we can to help you enlist the cooperation and active participation of every member of your church in the total program of the Church.

Records indicate that three out of every five members of Southern Baptist Churches take no active part in the operation of the Church. Enlisting the men of the Church to take an active part in the total program of the Church is truly the greatest challenge facing Southern Baptist, including the Burnt Swamp Association. The Baptist Brotherhood is the Convention instituted organization to make this dream truly a reality in your day and mine.

The Year, 1961 will reveal a new organizational structure, namely, President, Vice-President, Secretary, Royal Ambassador, Leader, Christian Witness Leader, Personal Stewardship Leader and World Missions Leader. The aims and objectives of the Church Brotherhood, under the direct Supervision and leadership of the pastor, remains the same, that being to enlist the service of every man of the Church in the total program of the Church.

The major Brotherhood activities for 1961 are: Royal Ambassadors, Christian Witnesses, Personal Stewardship and World Missions.

Organize, won't you, and join the march for "A MILLION MEN FOR CHRIST."

TRAINING UNION REPORT

A Strong Associational Baptist Program is only the reflection of strong Baptist Churches, and a strong Baptist Church is only the reflection of strong, mature Christian members. So, actually, you cannot have a strong Baptist program without strong, mature Christians in the Churches.

A testimony by Dr. J. N. Barnette in the December, 1959, issue of the Training Union Magazine portrays to us the real place of Training Union in the building of a strong Baptist program. Dr. Barnette Said: "Call the missionaries around the world and ask: 'Where did you receive your first impression to be a missionary?' Many of them will answer, 'In the Training Union. 'Canvass the pastors in the Baptist churches and ask: 'When was the first time you felt that God wanted you to be a Preacher?' Thousands of them will say in the Training Union.

"Visit the Christian homes of our Baptist people around the world." Dr. Barnette Continued, "and ask the parents: Where did you learn to have Bible reading and prayer in your home?" Multitudes will answer, 'In the Training Union. 'Contact the thousands of tithers in the Churches and ask, Why do you tithe? I learned about tithing, most will say, in the Training Union.

Dr. J. E. Lambdin, former Training Union secretary for the Sunday School Board clearly state the basic objectives of the Training Union's role in development of a strong Baptist program. "First, Training Union helps to build strong Christians with conviction and doctrinal stability. Second, Training Union helps to build strong Baptist churches, committed to the whole program of the New Testament. Third, Training Union helps to infuse the missionary spirit into individual Christians and churches.

Fourth, Training Union gives counsel and guidance to youth as they attempt to discover God's will for their lives.

Fifth, Training Union helps to develop personal soul-winners, who know how to witness individually for our lord.

Sixth, Training Union helps to instil a strong conviction and practice concerning the giving of tithes and offerings by all our people.

Seventh, Training Union helps to develop and train Christian workers for every place of leadership in a Baptist Church.

Eight, Training Union leads the people to cultivate the good habit of daily Bible study and of daily prayer."

If we are to build a strong Baptist program, we must discover ways and means to enlist all our church members in all our work.

Do we have a strong Association? Do we have strong churches? Do we have strong mature Christian members? A close study of our Associational T. U. work for the past year reveals an increase in the number of churches and membership, but still we only have about 1/3 of our churches with T. U., and only about 20% of the Sunday School enrollment is enrolled in T. U. You answer the questions.

Let me challenge you as messengers to become aware of the importance of a strong Training Union in your church. The Associational Training Union Officers are able to help through

Officers and Leaders Council, Mass Meetings, M Night, and personal visits.

THE SUNDAY SCHOOL

The main purpose of the Sunday school is to reach the unreached, Are we reaching those we should reach? There are masses of people scattered abroad and confused. The reason we have so many confused people, they have confused leaders.

The major task of the Sunday school has not changed since Jesus commissioned his church to carry the message around the world. We are in the midst of crooked and perverse people; so we should shine as lights in the world. We have a big task to reach the unreached. We should discover the possibilities for our Sunday school. We should try to improve the quality of teaching, by intelligent planning.

We are too careless in trying to have regular attendance. Every lesson is important. It is very important that we have good teaching in order to have the possible development of each person as a worshiper and member of the Christian fellowship. Good teaching will create a desire for better Christian living and service. We should hold up high standards for leaders.

The Sunday school leaders should set an example, by taking advantage of all the opportunities for improving themselves and helping those they serve to improve. We should not do things in a haphazard way, but we should plan.

The Sunday school is the practical source of outreach for the entire church. We should unite and try to improve our Sunday school work by trying cooperating in every way possible, and not trying to see who we can out do, but how we can help. We need to do more than think good thoughts and wish for results, but willingly do something to assure the results that will endure eternally. Too many people want honor without effort.
